	<b>Company Representation</b>	Issue Date: 10/07/14	Author: Steve Milroy

(To be posted on HSQE Notice Boards for a Period of 1 MONTH from date of issue)

On the 9<sup>h</sup> July 2014 the Company received a complaint from a member of the public to the effect that 2 motorcyclists were observed 'driving like lunatics' on Highgate Road the complainant's words.

To quantify 'lunatics' the motorcyclists were driving far in excess of the speed limit and weaving in and out of traffic causing vehicles to brake suddenly.

This behaviour in itself is unacceptable however the motorcyclists were also observed as wearing bright orange hi-visibility clothing bearing the RSS logo.

The Complaint is currently being dealt with in accordance with Company procedures and may I take this opportunity to reiterate the following:

- While working for the Company you are an ambassador and exemplary behaviour is demanded which extends to behaviours 'off-the-job'
- Remember when wearing Company branded Personal Protective Equipment (PPE) you represent the Company and you will be scrutinised in all you do by members of the public and others

**The message is very clear when you work for the Company and wear branded PPE both at worksites and 'off-the-job' please conduct yourself in a manner that represents the high standards the Company expects and demands.**
